The Harmony Hundred

Monthly Pledge Form

The Harmony 100 is a group of individuals who have pledged monthly support to IMA. IMA is the manifestation of a dream held by many. It's programs and policies rise from the needs, concerns and visions of those it serves and who, in turn, serve it. To insure that the institute remains independent and community based, it maintains a diverse income pool, of which The Harmony Hundred is an important part. We thank you for being a part of that!
